## **Sparkling Wine**

### **Deutz \$100**

This is a fabulous wine, with a beautiful body balanced between the gentle sweetness of fresh Pinot Noir fruit and the immense strength of toasty yeast. Laid upon a feather bed of steady, fine mousse.

### **Tohu Rewa Blanc de Blancs Méthode Traditionnelle \$100**

Shimmering pale gold in the glass, this traditionally made wine displays lifted aromas of bright citrus fruit, crisp fresh apples and refined touches of brioche and toasted hazelnut.

## **White Wine 750ml**

### **Neudorf Albariño \$45**

Lime and sea salt are bound with crystalline acidity. Oyster shell minerality and freshly cut fennel bulb are wrapped in a nostalgic, hazy summer embrace. There is lovely shape to this wine, it's elegant and fulfilling.

### **Tiritiri Pinot Gris \$45**

A collision of white pepper, daffodils and summer fruits, with just a peck on the cheek of acidity. It has depth, viscosity and richness, while staying deliciously clean and deceptively moreish.

### **Neudorf Rose \$45**

Balletic and enticing, this rosé is modern, dry and mouth filling. Notes of pomegranate, sea spray and white pepper. Refreshing acidity will draw you back in for another glass while basking in the Abel Tasman sun.

### **Tiritiri Chardonnay \$45**

Classic but not old fashioned. This delicious chardonnay walks a tightrope of fruit, minerality, oak and acidity. Summer stone fruits are woven together with rockpool minerality. Its voluminous without being overblown. A modern and sophisticated chardonnay.

### **Rosie's Home Block Chardonnay \$150**

A complex combination of restrained, chalky and elegant savoury notes bound together by something that reminds us of a lazy, hazy summer evening. Exceptionally integrated and dynamic. A harmony of barrel, fruit and flint is reassuringly familiar to great chardonnay lovers.

## **Red Wine 750ml**

### **Tom's Block Moutere Pinot \$50**

Summer berries, warm spices and seductive leather. Tom's offers sophisticated restraint, keeping this lush and moreish wine beautifully balanced. Thoughtful use of oak frames this Pinot brilliantly without commanding the experience, leading into a long, velvet finish.

### **Home Block Moutere Pinot \$100**

Vanilla, violets and pink peppercorns are woven together with notes of cranberries, blueberries and soft acidity. Fine, cocoa-like tannins tie this wine together with elegance and purity. There are seductive, brooding, earthy, visceral nuances. It's Autumnal and crunchy which keeps it refreshing and restrained.

### **Pepperjack Cabernet Sauvignon 750ml \$65**

Big, rich, and weighty on the palate with loads of ripe dark fruits and oak driven sweet spices.

### **Pepperjack Shiraz 750ml \$65**

Wondrous characters of mocha/coffee and dark chocolate silken up the lively berries and bright peppery spice, all of it coming together in a display of richness that is opulent but never vulgar.

### **Neudorf Home Block Special \$150**

The extremely concentrated vintage of 2021 provides a plush and generous Home Block Moutere Pinot - a typical of The Moutere Hills, but abundant with bold, spicy characters.
